Qosmedix 2006 Catalog

Edgewood, N.Y., October 5, 2005 – Qosmedix is pleased to announce the release of our 2006 catalog. The new 312-page catalog is redesigned to give customers more information and make product selection easier. Color-coded sections include brief overviews of product categories and suggestions for use. Hundreds of new and exciting products for beauty, fragrance, bath, skin care or spa fields have been added to the extensive line.

Full-scale, full-color illustrations make it simple to choose the perfect product. Qosmedix offers hundreds of applicators, quality disposable and professional brushes, along with jars and vials of every type for sampling and packaging. You can also browse our spa products including make-over items and washable spa wear. Sample requests are filled the same day they are received.

Contact one of our Customer Specialists for more information about our products, help with your selection, or to request samples. To receive quotations or your complimentary copy of the 2006 catalog please call +1 (631) 242-3270, fax +1 (631) 242-3291 or e-mail info@qosmedix.com. Visit our website for up-to-the-minute products at qosmedix.com.

Qosmedix is an ISO 9001:2000, ISO 14001 registered leading global supplier of medical quality disposables to the cosmetic, skin care, nail, spa and salon industries. Our products provide solutions for our clients' sampling, packaging and retail needs, and are designed to meet today's health concerns. Our line includes specialized swabs, brushes, jars, scoops, spatulas, cotton, pipettes, disposable spa wear and more. Qosina, Qosmedix' parent company, is a leading supplier of components to the medical and pharmaceutical industries.
