Qosmedix Lip Balm Container & Cap

Edgewood, N.Y., May 11, 2005 – When you need a container for lip balm, solid makeup or fragrance, the new twist-up tube with cap from Qosmedix is the answer. The 0.14 ounce/ 4 milliliter container (**Part # 29766**) and cap (**Part # 29767**) are perfect for on-the-go application. A twist-up bottom advances the product and the push-on cap secures with an audible snap. These polypropylene containers come in white, black and natural to enhance visibility. Imprinting is also available.

Qosmedix has jars, bottles, containers and other packaging options. For assistance with samples or requests for our packaging selections please call +1 (631) 242-3270, fax +1 (631) 242-3291 or e-mail info@qosmedix.com. You can also ask to receive a copy of our latest 2006 catalog containing hundreds of items. Visit our website for up-to-the-minute products at qosmedix.com

Qosmedix is an ISO 9001:2000, ISO 14001 registered leading global supplier of medical quality disposables to the cosmetic, skin care, nail, spa and salon industries. Our products provide solutions for our clients' sampling, packaging and retail needs, and are designed to meet today's health concerns. We maintain a large inventory of hundreds of items, allowing our specialized staff to process orders and sample requests the same day they are received. Our line includes specialized swabs, brushes, jars, scoops, spatulas, cotton, pipettes, robes, wraps, slippers, disposable spa wear and more. Qosina, Qosmedix' parent company, is a leading supplier of components to the medical and pharmaceutical industries.
