

NEWS RELEASE FOR IMMEDIATE RELEASE

Qosmedix Stackable Jars with Sifters

Edgewood, N.Y., June 30, 2005– Qosmedix is pleased to offer crystal clear stackable jars (**Part # 29864, 29865, 29866**) with sifters (**Part # 29867**). These 3gm/3ml sifter jars are a perfect choice for mineral makeup, powders and glitters. Our easy-to-carry stackable jars are composed of styrene, and the sifters are polyethylene.

We also offer a variety of brushes as an excellent complement to these jars. Qosmedix has a comprehensive selection of containers and applicators for your packaging and sampling needs. For assistance with samples or requests please call +1 (631) 242-3270, fax +1 (631) 242-3291 or e-mail info@qosmedix.com. You can also ask to receive a copy of our latest 2006 catalog containing hundreds of items. Visit our website for up-to-the-minute products at qosmedix.com

Qosmedix is an ISO 9001:2000, ISO 14001 registered leading global supplier of medical quality disposables to the cosmetic, skin care, nail, spa and salon industries. Our products provide solutions for our clients' sampling, packaging and retail needs, and are designed to meet today's health concerns. Our line includes jars, scoops, spatulas, specialized swabs, brushes, cotton, pipettes, disposable spa wear and more. Qosina, Qosmedix' parent company, is a leading supplier of components to the medical and pharmaceutical industries.
